Welcome to our visitors Notts. County for this Boxing Day game and my first duty is a pleasant one — to wish all our fans the compliments of the season on behalf of the directors, staff, players and all at Burnden Park, not forgetting our many agents on the promotions side.

Over the past few weeks, preparations have been made for the first lottery to be held by the Wanderers.

The players have involved themselves in promoting it and tickets are being sold via newsagents throughout the area from which we draw support.

The pictures in this programme have been selected by Bolton Evening News photographers Derek Ralphs, Mike Grimes and Martin Birchall.

Prizes are well worth winning for a 25p stake and the cash raised will go to help the Wanderers on and off the field.

We embark on our programme over the festive season with this game against County, a side that has tended to perform well here at Burnden over the past few seasons.

This game is followed by one at Blackpool tomorrow when I hope to see plenty of supporters backing the side. All stand seats are sold for the game which indicates there should be a very good crowd.

The kick off is 3 p.m., and after our visit to Millwall on Saturday, we entertain Burnley on Monday, Jan. 2. Fans are asked to note that this game starts at 7.30 p.m.

And there is a re-arranged Central League game against Huddersfield Town here on Wednesday, Dec. 28 at 2.15 p.m. This game has been brought forward from New Year's Eve.

ERIC McMANUS (Goalkeeper). An ever-present last season, Eric is a member of the Northern Ireland squad. Brave and instinctive he has now made over 150 appearances for the County. Previously with Coventry City.

PEDRO RICHARDS (Defender). A local product who turned professional in the 1973/74 season. A stylish full back, very cool under pressure and likes to make long overlapping runs into attack.

RAY O'BRIEN (Defender). Eire International, Ray is the Magpies' most expensive signing, costing £45,000 from Manchester United in March 1973. An exceptionally clever ball player who is very strong in the tackle.

SAMMY CHAPMAN (Defender). Close-season signing from neighbours Nottingham Forest, Sammy's only previous League club. A very experienced player who was immediately made first team captain to fill the 'gap' left by David Needham's departure to Q.P.R. Sammy's presence makes for very keen competition in County's traditionally strong rearguard.

BRIAN STUBBS (Defender). A local product now in his tenth season with the club. Highly respected, Brian is the 'iron man' in the County defence. With his commanding height he is very dangerous in 'dead-ball' situations.

STEVE CARTER (Striker). The Magpies' ace penalty taker Steve is one of the cleverest ball-players in the Football League. A traditional style winger who plays on either flank. Always a potential match winner.

DAVID McVAY (Midfield). Former schoolboy international, David is a powerfully built midfield player who likes to attack. Joined County straight from school when 17, now twenty-two, David can also operate in defence with competence.

MICK VINTER (Striker). Leading goalscorer last season despite missing several matches through injury. County his only professional club and he signed from his local town club Boston in Lincolnshire. A quick and hard-working player.

ARTHUR MANN (Midfield). Originally a defender, Arthur cost Manchester City a then record fee for a Scottish back-four man when they purchased him from Hearts. Known for his penetrating runs out of defensive positions into attack; Arthur is capable of top class performances in any position including goal!

PAUL HOOKS (Striker). A highly regarded youngster who graduated from the apprentice ranks midway through last season. Paul is set on establishing himself as a first team squad player this season, very skilful and fearless and thought to have a great future.

DAVID SMITH (Midfield). Nottingham-born and one of the smallest players in the League. Made his debut two seasons ago and quickly established himself as a member of the first team squad. A 'busy' type of midfield player with vision.

TRISTAN BENJAMIN (Defender). Born in the West Indies, Tristan is a very talented player now established as a member of the County first team squad. Can also play with skill as a striker.

LES BRADD (Striker). This season is Les' testimonial, granted by the club after ten years loyal service. Les is the Magpies all-time highest goalscorer and has scored many goals in the clubs climb from the Fourth to the Second Division.

ERIC PROBERT (Midfield). Although only twenty-five years old, Eric is a very experienced player having made his debut in the First Division for Burnley when just sixteen. Has made well over 100 first team appearances for Notts. County.

GORDON MAIR (Midfield). A young Scot who last season signed professional forms after serving his apprenticeship at Meadow Lane. Very talented and highly regarded, Gordon is now a member of the first team squad — made his debut last season.

JOHN SIMS (Striker). Joined the Magpies from his only previous club, Derby County, the season before last. A strong and resourceful front runner with a flair for scoring goals.

Today's Visitors

Notts. County made one of their worst-ever starts to a season, failing to win any of their opening 11 League games. But the return to Meadow Lane of manager Jimmy Sirrel has seen a gradual recovery and if the side can maintain recent form they should pull to a position of safety.

In his previous spell as manager, Mr. Sirrel led the club from the depths of the Fourth Division to a position of respectability in the Second.

Mr. Sirrel being one who believes in quiet change, rather than noisy revolution, has not yet made many major alterations to the team.

Eric McManus, the former Coleraine and Coventry man, retains the place he has held in goal for the past four years, and the back four has usually been lining up with Pedro Richards, Bob Chapman, Brian Stubbs and Ray O'Brien on duty. Tristan Benjamin has, however, appeared both at centre and right-back and in midfield.

Chapman arrived last summer, after many years with rivals Nottingham Forest, as replacement for David Needham who moved onto Q.P.R. for £100,000.

O'Brien, who has played for the Republic of Ireland on four occasions, was signed from Manchester United for £22,000 in 1973. He previously played for Shelbourne.

The midfield has been a permutation from Steve Carter, Arthur Mann, Alan Birchenall and David McVay.

The much-travelled Birchenall returned to Meadow Lane on a free transfer last summer. While with Sheffield United, Alan became one of the early £100,000 players in 1967 when he moved to Chelsea. Another £100,000 deal took him to Crystal Palace in 1970 but little over a year later he moved on to Leicester for £80,000. He spent a loan period with Notts. two seasons ago.

Goalscoring being one of Notts' biggest failings this season, it's not surprising to find the greatest number of changes being made in attack.

The three most regularly on duty have been Lee Bradd, Mick Vinter and John Sims. Bradd, top scorer for the past two seasons, last season broke the club scoring record of 109 League goals previously held by Tony Hateley.

Ian Scanlon, Lloyd Richards, Dave Smith and Paul Hooks have also appeared in attack.

Notts' disastrous early run left them second from bottom of the table in mid-October. Manager Ron Fenton, who had succeeded Mr. Sirrel after his previous spell, left and it just so happened that Mr. Sirrel had been relieved of his post at Sheffield United that same week.

Notts. waited longer than any of the other League clubs before registering their first League win, though strangely they won 2-0 away to First Division Birmingham City in the League Cup.

That victory earned them a lucrative third round tie away to Nottingham Forest and, though beaten 0-4, they shared the proceeds of a 26,931 gate.

They eventually broke their League duck by defeating Charlton 2-0 at Meadow Lane and, from that point, they have risen steadily up the table. They won their next two games — away to Mansfield (3-1) and at home to Brighton (1-0) — and were to lose only once in seven games.

Notts. County are former F.A. Cup winners and were for many years a First Division club. Founded in 1862, they are the oldest of all League clubs and they were invited to become one of the original members of the Football League in 1888.

Life had many ups and downs for them and they left the First Division for the last time in 1926. The Third Division called them in 1930 and, apart from a couple of spells back in Division Two, they spent the greater part of their time in the lower divisions before returning to Division Two in 1973.
